West Calaveras Democratic Club meets May 31

The West Calaveras Democratic Club will meet at 10:00 am Saturday, May 31, at the Oak Shadows Mobile Home Park Clubhouse, 1330 Calaveritas Road, San Andreas.

The new chair, Margaret Copenhaver, is eager to work with Calaveras Democrats who want to get Democrats elected to local, state and national positions, and have fun while doing it. Copenhaver was a candidate to be a Barack Obama delegate to the Democratic National Convention. She is energetic and ready to step up to help the club focus its efforts to provide social and informational activities of interest to Democrats; publicize, advertise, and advocate for Democratic candidates, causes, and activities; increase the visibility of Democrats and add to the number of registered Democrats in the county; have monthly meetings during which Democrats can share ideas and support one another; and work with the Calaveras County Democratic Central Committee on countywide activities.

Democrats are encouraged to come to the meeting with their ideas and energy, and to enjoy free refreshments.
