You may speak for up to three minutes. The Board will make an effort to take all calls. You may receive a busy signal if others are calling in at the same time; if you do, please attempt calling again. As always, if general public comment runs longer than 30 minutes, it will be continued to the end of the meeting agenda. Please be sure you are viewing the live stream in real time, and thank you in advance for your patience with potential technical and logistical hiccups.

Please note that the above instructions apply to public comment which will be read into the record by the Clerk during the meeting in lieu of traditional oral public comment.
